APPLICATION FOR FEDERAL STUDENT AID

- Complete the Free Application for Federal Student Aid (FAFSA) online at [Studentaid.gov](https://studentaid.gov). **The SMU Federal School Code is 003613.** You will receive an email notification when your FAFSA has been processed and the Student Aid Report (SAR) is ready for you to review. A copy of your record will be sent to SMU.

- Review your Student Aid Report (SAR) for errors or items that may need to be updated. Submit any corrections as necessary. All updates will be sent to SMU for review.
- Check your Financial Aid through [My.SMU](https://my.smu.edu). The award will be located on the Financial Aid tab.

- Wait for your Financial Aid Award Notification to arrive in your SMU email account.

WHILE YOU WAIT

- Search and apply for third-party scholarships. Recommended scholarship site: www.fastweb.com
- Continue to check your SMU email (webmail.smu.edu) and your [My.SMU](https://my.smu.edu) account for additional information or documentation requests.
- Your award notice will be sent to your SMU email account only!

MY AWARD NOTICE HAS ARRIVED. NOW WHAT?

- Log into [My.SMU](https://my.smu.edu) to “accept/decline” your financial aid award. You will have the option to reduce the loan. However, please be aware if the award covers more than one term, you must accept the aid based on those terms. If you would like to accept the aid for one term, that is not an option, unless you are awarded only for one term.
- Look for additional instructions sent to your SMU email account, typically within 72 hours of acceptance. Do NOT complete the loan documents through [Studentaid.gov](https://studentaid.gov) until AFTER you have accepted your loans through [My.SMU](https://my.smu.edu) and received notice through SMU email that your loans are ready to complete.
- Continuing students must clear any outstanding holds or document requests through [My.SMU](https://my.smu.edu). This includes Satisfactory Academic Progress (SAP) appeals for financial aid and all financial/enrollment holds through the Office of Student Accounts.

COMPLETE LOAN DOCUMENTS

- Complete Loan Entrance Counseling and electronically sign the Loan Agreement (Master Promissory Note) for the Direct Unsubsidized Loan and the Direct Graduate PLUS Loan at [Studentaid.gov](https://studentaid.gov).
- **Direct Unsubsidized Loan** - If you accept the Federal Direct Unsubsidized Loan, complete Entrance Counseling and the Loan Agreement (MPN). Both the Loan Entrance Counseling and MPN need to be completed in order for funds to be disbursed to your student account.
- Many graduate and professional students borrow the Federal Direct Graduate PLUS Loan in addition to the Federal Direct Unsubsidized Loan to cover their tuition and expenses. The Graduate PLUS Loan decision is based on the past 90 days of your credit history. Please visit [Studentaid.gov](https://studentaid.gov) for detailed information regarding PLUS Loan credit requirements.
- **Direct Graduate PLUS Loan** - Once you have made the decision to apply for the Direct Graduate PLUS Loan, visit [Studentaid.gov](https://studentaid.gov) to complete the Direct Graduate PLUS loan.
 - If approved for the Direct Graduate PLUS Loan, complete a separate Loan Agreement (MPN) for this loan.
 - If denied for the Direct Graduate PLUS Loan, you can reapply with a co-signer (endorser) or appeal the denial through the Department of Education. You will be required to complete Plus Counseling and an MPN, once your endorser is approved.
- **Alternative Loans** - If you choose to borrow an alternative loan through a private lender or bank, you must submit your credit application directly through the lenders website.

FINANCIAL AID AND YOUR BILL

- Loans will appear on your billing statement as anticipated aid if you have finalized your loans prior to the date you receive your billing statement. If your anticipated federal loan disbursements do not appear on your billing statement, please check your "To Do List" through [My.SMU](https://my.smu.edu) for additional information. Personal payments, institutional or departmental aid, or student loans that are finalized after you receive your bill WILL NOT generate a new billing statement.
- If you wish to view the most recent student account information, including all financial aid processed after your official billing statement was received, please check your Financial Account tab on the Student Homepage Portal through [My.SMU](https://my.smu.edu).
- **PLEASE READ CAREFULLY:** Financial aid is available and intended for the sole purpose of providing assistance with educational expenses. The processing status of your financial aid will not supersede or eliminate your responsibility to ensure full payment by the published payment due date. SMU STRONGLY recommends that students allow a minimum of 4-6 weeks prior to the start of classes in order to complete the financial aid process. To avoid a late fee, please file early, check your SMU e-mail and your my.SMU account, for To Do List Items, Verification requirements and holds . The loan disbursement could also be delayed if the loan documents are not completed well in advance of the start of classes.
- Continuing students must clear any outstanding Holds or document requests through [My.SMU](https://my.smu.edu). This includes Satisfactory Academic Progress (SAP) appeals for financial aid and all financial/enrollment holds through the Office of Student Accounts
